PRINCIPAL'S MESSAGE

On behalf of the faculty and staff, I want to welcome you to Massac County High School and the 2016/2017 school year! I hope you have had a restful and relaxing summer vacation and are excited to begin another year of education.

Our mission here at MCHS is: "Success for All Students; No Exceptions; No Excuses." We take great pride in this charge, and the MCHS faculty and staff is continually working toward this goal. We have recently increased our graduation requirements to reflect the more rigorous program of study that is necessary to prepare students for today's world. We have also increased our utilization of technology within the classroom and technology course offerings. Additionally, we have increased our Advanced Placement (AP) course offerings as well as the number of students that take the AP Examination.

MCHS has also had very successful extracurricular programs in recent years. Examples of this include the Girl's Golf State Championship as well as numerous Conference Championships, Regional Championships, Sectional Championships, one Super Sectional Championship. As we continue to expand our extracurricular opportunities, we insist that our students participate in school activities.

As you can see, we have very high expectations of our students both in and out of the classroom, but we also have very high expectations of ourselves as educators and mentors. This Student-Parent handbook was written to keep you informed and involved in the home-school partnership. Should you have questions or concerns not addressed in this handbook, please feel free to visit our school or to contact me at: jhayes@massac.org. Once again, Welcome! I look forward to working with you.

Sincerely,

Jason Hayes
Principal

Massac County High School

EQUITABLE PARTICIPATION IN THE DISTRICT'S PROGRAMS

Notice is hereby given that Massac County High School does not discriminate on the basis of race, color, national origin, sex, sexual orientation, age, or disability in admission or access to its programs and activities.

Any person having inquiries concerning the Massac County High Schools' compliance with regulations implementing the Americans with Disabilities Act, Title IX, or Section 504 of the Rehabilitation Act is directed to contact the Assistant Superintendent, who has been designated by Massac County Community Unit School District No. 1 to coordinate the District's efforts to comply with the regulations implementing the Americans with Disabilities Act, Title IX, and Section 504.

Massac Unit #1 has a Voluntary Compliance Plan on file at Massac County High School and at the Board Office. Also on file is the student rights procedure as adopted by the Board of Education of Massac County Unit School District #1.

STUDENT'S RIGHTS AND RESPONSIBILITIES

MCHS students, as citizens of the United States, are guaranteed certain individual rights and have corresponding individual responsibilities. Parents, teachers, and administrators have a responsibility to protect the rights of students while at school. Students, on the other hand, have certain special responsibilities which are required while in school. A few of these responsibilities are:

- 1) To become informed of and adhere to reasonable rules and regulations established by the local board of education and implemented by school administrators and teachers.
- 2) To respect the rights and individuality of other students and school administrators and teachers.
- 3) To refrain from libelous, slanderous remarks, and obscenity in verbal and written expression.
- 4) To dress and groom in a manner that meets reasonable standards of health, cleanliness, and safety.
- 5) To be punctual and present in the regular assigned school program so as to reach the best in one's ability.
- 6) To refrain from gross disobedience of misconduct or behavior that may disrupt the educational process.
- 7) To maintain the best possible level of academic achievement.
- 8) To respect the reasonable exercise of authority by school administrators and teachers in maintaining discipline in the school and at school sponsored activities.

DIRECTORY INFORMATION RELEASE

Congress has passed legislation, the *No Child left Behind Act of 2001* and the *National Defense Authorization Act for Fiscal Year 2002*, requires secondary schools receiving assistance under the *Elementary and Secondary Education act of 1965* to provide equal access to students and directory information upon request by military recruiters. This directory information is name, address, and telephone listing of juniors and seniors. It is the same information provided to post secondary institutions and to prospective employers. Parents may opt out of providing this information by filling out a form with the high schools' guidance department within the first two weeks of the first semester of enrollment of the current school year. This must be renewed each year. Parents must revoke this form in writing in order for directory information to be released.

Massac County High School

MESSAGE TO PARENTS

This handbook has been designed for parents as well as MCHS students. This handbook will help to answer many questions you may have about your school and school activities. These policies and rules have been approved by the Board of Education.

Please read the entire booklet and if you still have questions concerning your school, please feel free to call 524-3440 and talk with either the guidance counselors, the principal, or the assistant principal. Each will be happy to answer any questions you may have concerning MCHS.

Remember, this is your school and everyone is here to help provide the best education possible for each student. We appreciate your interest and support for the school. We hope that you will always feel free to visit the school and to seek answers to your questions.

The two largest problems MCHS faces each year are excessive absences and students that are late for school. We ask each parent to be supportive of our attempts to correct these two concerns.

It is a responsibility of each parent/guardian to ensure that your son/daughter comes to school each day. When a student is absent, there are problems with instruction missed and making up work.

If your son/daughter must be absent we ask your cooperation in seeing that make-up work/homework is completed. Many are the times students are heard to say they had nothing to do when in fact they did have homework but it was left undone.

Students are encouraged to report any problems they have to a teacher, guidance counselor or administrator. Preventative measures may be taken when problems are known. Early intervention may help to avoid the development of more serious problems.

ASBESTOS MANAGEMENT

The District is in full compliance with state and federal regulations regarding asbestos management in all district buildings. The public is invited to inspect the plan at any time during regular business hours at the District Office, 401 Metropolis Street, Metropolis, Illinois.

DISCLAIMER

THIS HANDBOOK IS NOT INTENDED TO CREATE A CONTRACTUAL RELATIONSHIP WITH THE STUDENT; RATHER, IT IS INTENDED TO DESCRIBE THE SCHOOL, ITS CURRENT PRACTICES, PROCEDURES, RULES AND CODE OF CONDUCT.

PARENT/GUARDIAN

The terms "parents" and "guardian" as used herein shall be interchangeable. Such terms shall include the student's natural parents, foster parents, adoptive parents, legal guardian, step-parents, or any adult (over 21) with whom the student regularly resides and who has ongoing supervisory responsibility for the student. Such terms shall not include siblings, grandparents, other relatives, or non-related parties, unless the student has been placed under the care of such individual on a residential basis. All rights under this handbook transfers to the student when he/she reaches age 18 unless court ordered guardianship is established.

ABSENCES FROM SCHOOL

A major concern in education is school attendance. In order for a student to receive the full benefits of an education, he/she must be in attendance on a regular basis. Student absences will be categorized as excused or unexcused.

Truancy is the willful avoidance of school attendance without and acceptable excuse unless the student has been excused by the administration of the school.

MCHS school administrators, staff, and parents are in collaboration to support student attendance. Explanation of excused and unexcused absences are listed in Section A-J.

- A. When a student is absent from school, a student's parents or guardian should call the attendance office, 524-3440, and notify the school of the student's absence prior to 10:00 a.m.

ANY STUDENT WHO ACCUMULATES MORE THAN SEVEN (7) ABSENCES DURING A SEMESTER WILL BE **REQUIRED TO PRESENT A DOCTOR'S SLIP** UPON THE 8TH ABSENCE AND ALL SUBSEQUENT ABSENCES THEREAFTER. IF NO DOCTOR'S EXCUSE IS PRESENTED THEN FROM THE 8TH ABSENCE AND ALL OTHER ABSENCES THE ABSENCE WILL BE UNEXCUSED.

Parents that do not call the school when their child is absent must send a written statement with their child stating: 1) the reason for the absence(s), the date(s) of the absence(s), the parent's signature.

All students must report to the office immediately upon their arrival at school following an absence and before going to class. Failure to present a written statement of explanation or failure of the parent or guardian to notify the school of a student's absence will result in an unexcused absence. A student has until the **next day of attendance** to present the statement. (Students presenting written statements with forged signatures are subject to disciplinary measures.)

ABSENCES FROM SCHOOL--cont.

- B. Absences will be categorized as excused and unexcused based on the following:
1. Excused Absences: An absence with parent permission for the reasons of illness, death in the immediate family, school activities, established religious holidays, family emergency, or situations beyond the control of the student, or other circumstances which cause reasonable concern to the parent for the safety or health of the student. All family emergencies must be approved by the Assistant Principal or Dean of Students. For any excused absence, the student will have to make-up all missed work or will lose credit for missed work, and the absence counts toward the total days missed as stated on page 10 in section A.
 2. Unexcused Absence: An absence for such things as, but not limited to, shopping, working, court appearances, over-sleeping, car trouble, family vacations, or personal reasons will be unexcused. The student will make-up all work missed but may receive a lowered grade for any grade that is recorded by teachers during the unexcused absence. Reasonable disciplinary action may be taken for excessive unexcused absences.

Students who report to school ten minutes late or more must report to the Dean of Students upon arriving at school. Those students who do not have an acceptable reason for being late will be charged with an unexcused absence. Failure to sign in at the Main Office will be unexcused regardless of the reason for being tardy.

3. Parents are expected to schedule student vacations during the summer or during the spring break. The days prior to school holidays are required student attendance days. Calling in a student ill in order to leave for vacation early is unexcused. All student absences will be monitored closely in order to fairly issue excused or unexcused absences.
- C. Churches, scouts or other groups planning activities that will require student(s) to be absent from school must make a request in writing at least one full week in advance of any activity that would require a student(s) to miss school.
- D. A request from a church, scout group or any other group or organization does not necessarily excuse the student. This determination will be made by the Principal and/or Dean of Students at the time of the request. The decision will be made in compliance with the Illinois School Code.
- E. The principal (or the assistant principal in the absence of the principal) reserves the right to review all cases concerning absences.
- F. Seniors requesting to be absent from school to make visits to college campuses and armed forces shall not be granted in excess of 2 days total during the regular school year. Exceptions may be made if special tests are given on the college campus. These requests are to be handled through the guidance department. Guidance will notify the office of these days.
- G. If a student becomes ill while at school, he/she will be sent to the school nurse. Under no circumstances should a student ever leave the school during the day without securing permission from the School Nurse, Assistant Principal, Dean of Students, or Principal. Students who leave without permission are subject to disciplinary action. Students will come to the office and sign out before leaving. Students should sign in at the main office when returning.
-

Massac County High School

ABSENCES FROM SCHOOL--cont.

- H. Students who are absent in the morning and come for afternoon classes are to sign in at the Main Office.
- I. THERE IS NO AUTHORIZED SENIOR SKIP DAY. Any students organizing or participating in such an event shall be subject to disciplinary action.
- J. Any student who is out of school for five successive days or more will be required to present a doctor's excuse upon returning.

CLASS CUTTING AND TRUANCY

School authorities cannot over emphasize the importance of perfect attendance. Instruction continues daily and experiences missed in the classroom through class discussion, projects and group experiences can never be made up nor substituted through written assignments. Recognizing this, immediate disciplinary action will be instituted against students who cut class or study hall, or who fail to complete designated school assignments or who are truant from school. The following will be adhered to and are cumulative each semester:

1st unexcused absence:	Parent notified by letter/school counselor notified
2nd unexcused absence:	Parent notified by letter
3rd unexcused absence:	Parent conference, school counselor notified, letter to parent, In-school Supervision
4th unexcused absence:	In-school Supervision
5th unexcused absence:	Parent conference
6th unexcused absence:	Student reported to the States Attorney's office as a truant. The student will also be excluded from all extra-curricular activities for the rest of that semester.

TARDINESS TO CLASS & LATE FOR SCHOOL

The Massac County High School educates students. To be effective classes must start on time and each class must experience a minimum number of interruptions to allow teachers and students to complete the necessary requirements insuring that each student leaves Massac County High School with more than a minimum education. Everyone realizes that students entering a classroom late not only miss part of the class experience, but also disrupt the learning environment.

1 st Tardy/Late - Verbal Warning	4 th Tardy/Late - Lunch Detention
2 nd Tardy/Late - Written Warning	5 th Tardy/Late - In-School Isolation
3 rd Tardy/Late - Lunch Detention	6 th Tardy/Late - In-school Isolation
7 th Tardy/Late - Excessive	

Excessive tardies/lates will result in more severe disciplinary action, including but not limited to in-school supervision and exclusion from extra curricular activities. These tardies are for each period of the day, and the student shall start with a clean slate at the beginning of the second semester.

If a teacher retains a student on school business, that teacher must write a pass to give to the student's next teacher. However, the teacher retaining the student should inform the office so that student will not be counted absent. If these procedures are followed the tardiness will not be recorded against the student.

Student Handbook

Detention will be held in the assigning teachers rooms or in the in-school room. Failure to be on time for the detention, skipping the detention, or failure to bring books to detention will result in additional disciplinary measures. Students receiving detentions must make arrangements to be at school by 8:05 even if their bus does not arrive at school by that time. Once a student receives a detention, it is his/her responsibility to be present at the established time. Detentions to be served during a student's lunch period may be assigned by the administration.

- NOTE:
1. A late bus or other situations causing several tardies will be announced over the P.A.
 2. Faculty members shall immediately inform the student of the issuance of a tardy and escort the tardy student to their classroom. A discipline infraction is recorded in the computer system for each tardy as explained on Page 12:
 - 1st Tardy - Verbal Warning
 - 2nd Tardy - Written Warning
 - 3rd Tardy - Lunch Detention

LUNCH DETENTIONS

Lunch detentions will be held in the band/music room. It will begin at 11:01 for first lunch and 11:54 for second lunch. Students will be released from detention with 10 minutes remaining in the lunch period. Failure to be on time for the detention, skipping the detention, or failure to bring books to detention will result in additional disciplinary measures.

ACCIDENTS

When an accident or injury occurs on the school grounds it must be immediately reported to the school nurse or the principal. An accident report must be filed. These forms are available in the Nurse's Office and in the Principal's Office. A student having 24 hour insurance coverage must file an accident report in order for the claim to be processed.

BULLETINS AND ANNOUNCEMENTS

Announcements are to be turned into the guidance office prior to the end of 5th period of each school day and an announcement bulletin will be distributed in each teacher's mailbox prior to the start of each school day. If you wish to have an announcement made regarding a school activity, prior approval must be obtained from the Principal or Assistant Principal. Announcement forms are obtained from the main office. Special notices are posted on the bulletin board outside the commons area in the gymnasium lobby. Announcements concerning snow days or emergencies will be made over the intercom as the need arises.

CAFETERIA AND LUNCH HOUR EXPLANATION

There are 2 separate lunch periods. Approximately one-half the student body will have lunch (A) from 11:06 until 11:36. The remaining students will have lunch (B) from 11:54 until 12:24. Lunch periods will be determined by what room a student will be in during his/her 4th hour class.

Students having B lunch will go directly to their 4th hour class immediately after 3rd hour. Students having A lunch will go to lunch at the end of the 3rd hour. When A lunch period

Massac County High School

CAFETERIA AND LUNCH HOUR –cont’d

Any coats, books, etc. must be obtained during passing time so that when you have finished eating no one will be permitted in the area of school that has class.

The lunch period is 30 minutes. Students may purchase hot lunches by going through the cafeteria line. Some students may prefer to bring a sack lunch and supplement it with milk purchased in the cafeteria. If a student brings his lunch it must be eaten in the cafeteria. All students must remain in the cafeteria during lunch.

There will be two types of lunches, regular school lunch and a la carte. Regular school lunch will be for all students including students in the free and reduced lunch programs. Free and reduced applications may be obtained in the office, completed and returned. A la carte lunch will consist of sandwiches, french fries, salads, milk, fruit juice, and snack cakes, and these items must be purchased separately for an additional cost.

Students will not be allowed to charge lunches in either the A lunch line or the A la Carte line. Students are encouraged to pre-pay for their meals. Once again, students will be utilizing their lunch cards. The bar code on the lunch card will be put through the scanner at the point of service.

When the lunch bell rings at the beginning of lunch hour, students are not to run to the cafeteria. Students are to proceed to the cafeteria in an orderly and non-disruptive fashion. Students who violate this rule will be dealt with accordingly.

In order to help keep the cafeteria clean and attractive, the following rules will be observed.

1. Empty all debris from trays into appropriate containers. Trays and dishes will go to the dishwashing window and silverware in proper containers designated for silverware.
2. Always use a tray.
3. Keep milk cartons, food and waste paper on tray.
4. Keep tables, chairs, and floor clean.
5. Push chairs back after eating.
6. Talk in a normal voice.
7. Keep the cafeteria line orderly.
8. Never push or run.
9. Pick up and clean up any food you drop or spill.
10. All food must be eaten at the table.
11. Only 8 students may eat at a table.

EATING/DRINKING IN BUILDING

No food or soft drinks of any kind, including candy, is to be consumed anywhere in the building, with the exception of the cafeteria. No consumption of food or open drink containers are allowed in the hallways. Students who violate this policy will be subject to disciplinary action. Please remember that all machines can and will be turned off if debris becomes a problem.

CLOSED CAMPUS

A policy of the Massac County High School is that of a "closed campus." Stated very simply, when a student arrives at school, he/she will not be allowed to leave until the end of the day. Students will eat either in the cafeteria or will bring their own lunch. Two types of lunches will be offered in the cafeteria: the regular school lunch and an a la carte lunch.

Upon arriving at school, students will go to their assigned area. Freshmen and Sophomores to the gym, Juniors and Seniors to the cafeteria. Students who drive their own vehicles to school will park them in the assigned student parking lot until school is dismissed at the end of the day. Students are not permitted to loiter around or in parked cars during the lunch hours or between classes.

The following areas are "off limits" to all students during the school day:

1. all parking lots (unless permission from office)
2. southwest side of gymnasium
3. lake area
4. football - track complex
5. students are not to be sent off campus on errands

STUDENT AUTOMOBILES AND PARKING

1. Students will be required to purchase a \$15 parking permit from the main office if they choose to drive to school.
2. Student parking will be limited only to the North and South parking lot. There will be no parking **behind the gym adjacent to T door during school hours except by faculty and staff.**
3. Students are to park within the lines of their designated parking spot.
4. All students must be licensed and covered by insurance. The school is not responsible for the automobile and/or contents.
5. The parking lot is off limits to all students during school hours unless permission is granted by the office. Students may not loiter in the parking lot before or after school neither inside nor outside their vehicle.
6. There will be no speeding over 5 miles per hour or any form of reckless driving on school grounds.
7. Student vehicles may be subject to search if reasonable grounds exist: if grounds exist that the subject car contains drugs, alcohol or stolen property or other contraband.
8. Driving and parking is a privilege and not a right. Failure to follow the rules may result in the loss of parking, driving on school grounds, and/or the car being towed at owner's expense.
9. If a student parks in an unauthorized area or fails to display the parking permit in their vehicle, he/she shall receive the following consequence:

1 st offense:	Verbal Warning

DISCIPLINE
(Gross Disobedience and Misconduct
and/or Gross Insubordination)

As required by the Illinois School Code, Massac County High School will have a Discipline Advisory Committee. The purpose of this committee is to help improve the policies adopted by the Massac Unit #1 School Board. The committee will consist of the building Principal, Assistant Principal, Dean of Students, Two MCHS Faculty Members, Two Community Members from Unit #1, and Two MCHS Students.

Since the purpose of attending school is to learn and since discipline problems take time away from that learning, the following will be strictly enforced.

Prior acts or conduct of students in violating school rules and regulations or in engaging in inappropriate behavior shall be considered by school officials in determining the severity of discipline to be imposed.

Massac County High School

DISCIPLINE—cont. **(Gross Disobedience and Misconduct** **and/or Gross Insubordination)**

Each student must be able to enjoy his school experience without infringing upon the rights of others attending school or school activities. Therefore, letters A-W on p. 19-20 may be considered, but not limited to, suspension from 1 to 10 days from school at the direction of the administration and pursuant to Massac Board Policy 7:190, and/or a recommendation to the Board of Education for consideration for possible expulsion.

Any discipline given to a student which results in a loss of student attendance shall necessitate that student be accorded appropriate due process.

The Massac County High School administration is committed to maintaining a safe learning environment for its students. To meet this objective, any act by a student that is likely to substantially disrupt the educational environment will be subject to the full range of discipline as identified in this handbook. Students should be aware that this prohibition extends to any conduct that is reasonably related to school or school activities. This would include, but is not limited to:

1. On or within sight of school grounds before, during or after school hours or at any other time when school is being used by a school group;
2. Off school grounds at a school-sponsored activity or event or any activity or event which bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function or event; or
4. Anywhere, if the conduct may reasonably be considered to be a threat or an attempted intimidation of a staff member or student, or an interference with school purposes or an education function.

SATURDAY DETENTION (Optional)

The purpose of Saturday Detention is to offer an option for students to receive discipline that is an alternative to in-school and out of school suspension. This will, hopefully, allow students an opportunity to correct behavior that interferes with the learning process. The conditions for attendance are as follows:

1. Students will enter the building through the front door by the office no earlier than 7:45 a.m. and go directly to the cafeteria. The doors will be closed and locked at 8:15.
2. Students are to bring any school work or make-up work with them that they may have. Students who are finished with their school work or who have no school work will be given work by the person presiding over detention.
3. Students with two hour assignments will be dismissed at 10:00 a.m. Students with four hour assignments will be given a 5 minute break at 10:00 a.m. and will be dismissed at 12:00 p.m.
4. When students are dismissed they are expected to leave immediately.
5. Students will be expected to abide by Saturday School Rules as well as all regular school policies.
6. Only emergency absences will be excused and the parents should notify the school prior to 8:15 a.m. at 524-3440. Students who miss with an excused absence will serve the next scheduled Saturday School.
7. Transportation will not be provided. Lack of transportation is not considered an excused absence.

RULES FOR SATURDAY DETENTION

3. Students may not leave assigned area without permission.
4. No sleeping
5. No food, drink, candy, etc.

A student who shows gross misconduct will be sent home and reported to the office for review by the administration. An unexcused absence from Saturday Detention will result in disciplinary action. Continued unexcused absences could result in more severe disciplinary measures.

AFTER SCHOOL DETENTION

1. Students will report to the designated detention room immediately after school.
2. Detentions will be until 3:40 p.m.
3. Students are to bring any school work or make-up work with them that they may have. Students who are finished with their school work or who have no school work will be given work by the person presiding over detention.

A parent disagreeing with the Administration's decision to suspend a student may request review of the administration's decision by the Board of Education or its designated hearing officer. A student will not be permitted to return to school if an appeal request is made. In the event the suspension is reversed by the Board of Education, the student will be permitted to make-up all work for days missed during the suspension period.

Any student who has two separate out-of-school suspensions or five in-school supervisions will not be eligible to participate in any school activities for the remainder of the semester. Students who are caught damaging school property will, at a minimum, be required to pay for all damage done to the school or school property. MCHS has the right to schedule unannounced drug searches of the school facility and parking lot. These are scheduled through local and state police to help ensure the safety of our students and staff.

PERPETUAL NUISANCE CLAUSE

A student's disciplinary history is considered when determining the appropriate discipline for any offense. Students who are continually given referrals or sent to the office staff may receive more severe action than the typical punishment for one isolated incident of the relevant behavior. The administration will determine the appropriate recommended punishment, up to and including expulsion from school. When repeated misbehavior is a problem, a parent conference will be called by the assistant principal with the student present.

Massac County High School

DANCE RULES

As students arrive, they must sign their names and the names of their guests if the dance is open to guests outside Massac County High School. Chaperones, including one staff member, will supervise this procedure. Students must arrive no later than 30 minutes after the start of the dance or they will not be allowed to enter the dance.

School rules apply to student conduct and the same rules apply to the guests. Infringement upon these rules will result in a student and/or guest being asked to leave the dance and a disciplinary judgment will be made at that time regarding the extent of the problem. This decision will be made by the administration and/or a staff member. Students will most likely not be allowed to attend any extra-curricular activity the rest of their high school career if they are a problem.

No students or other individuals will be allowed to be outside or on the parking lot during the dance. This does not include parents or authorized persons while they are bringing students or picking them up after the dance. The high school dances will be from 8:00 to 11:00 p.m. Only parents will be permitted to deliver messages to students during the dances.

If the dances are open to other high school students, it will be necessary for the student wishing to bring a guest to pick up a form in the office to be completed and signed. This form must be returned to the office three days before the night of the dance, unless a student has special permission from the administration. The student and guest must arrive together.

Homecoming, Prom, and Mistletoe dances are open to students and their guests. The guests may not be over the age of 20 with the exception of Prom which is 22. However, if proper behavior is not exhibited the principal may choose to close dances. Proper forms need to be completed before the night of the dance. If the guests are in high school, they will need to have the proper signature from their school. If the guests are not in high school, they will need to give their driver's license number in place of the school's signature. No student in any grade lower than 9th grade will be allowed.

A decision may be made at any time by the administration to see that a student and/or guest leaves after improper behavior. If the administration is not available, a staff member may do so. All questionable behavior should be reported to the administration at the time it occurs.

Gangs, gang-related activities and secret societies are not acceptable in the school setting. The Board of Education is aware that their presence interferes materially and substantially with the education process and the requirement of appropriate discipline in the school. They also foster anti-social behaviors, attitudes, and practices which may endanger the health, safety, and welfare of our students. A violation of this policy will result in discipline, which may include suspension or expulsion from school.

EXPULSION

EXPULSION IS DEFINED AS THE REMOVAL OF A STUDENT FROM CLASSES FOR A TIME PERIOD MORE THAN TEN (10) SUCCESSIVE DAYS DURATION. ONLY THE BOARD OF EDUCATION MAY EXPEL A STUDENT FROM SCHOOL.

EXPULSION FROM SCHOOL IS THE MOST SERIOUS OFFENSE WHILE IN SCHOOL, SO PLEASE READ AND UNDERSTAND THE SECTION IN THE HANDBOOK DEALING WITH DISCIPLINE.

FOR ANY ACTS OF GROSS DISOBEDIENCE OR MISCONDUCT, THE ADMINISTRATION MAY RECOMMEND THAT A STUDENT BE EXPELLED FROM SCHOOL FOR A PERIOD NOT TO EXCEED 2 CALENDAR YEARS. DURING THE TERM OF AN EXPULSION, A STUDENT IS NOT PERMITTED TO BE ON SCHOOL PROPERTY OR ATTEND SCHOOL RELATED EVENTS.

PRIOR TO BEING EXPELLED THE FOLLOWING PROCEDURES WILL BE USED:

If a hearing officer is appointed by the Board, he or she shall report to the Board the evidence presented at the hearing and the Board shall take such final action as it finds appropriate.

During the expulsion hearing, the student and his or her parent(s)/guardian(s) may be represented by counsel, present witnesses and other evidence and cross-examine witnesses. At the expulsion hearing, the Board or hearing officer shall hear evidence of whether the student is guilty of the gross disobedience or misconduct as charged. After presentation of the evidence or receipt of the hearing officer's report, the Board shall decide the issue of guilt and take such action as it finds appropriate.

DOCTOR OR DENTAL APPOINTMENTS

Parents are asked to arrange doctor or dentist appointments during non-school hours if at all possible. When appointments are made during school hours, students will be permitted to sign out. Upon returning to school these students are to present a note of verification from the doctor or dental office. Failure to do so will result in an unexcused absence. Students are expected to use responsible judgment. When having an appointment at 10:00 a.m., check out at 9:30 and return at 11:15. If you use the entire day for a 10:00 a.m. appointment then only a reasonable amount of time will be excused and the remainder will be unexcused.

DRESS

We take pride in the appearance of our students. Your dress reflects the quality of the school, of your conduct, and of your school work.

All students are expected to dress and groom themselves neatly in clothes that are suitable for school activities.

Inappropriate clothing is defined but not limited to:

GRADING

A serious attempt is made at all times to evaluate the progress of the student. The following grading system has been devised for the purpose.

- A -- (93 - 100) - The student is exceeding the demands of the teacher. His/her work is on time. The work is of superior quality. It shows mastery of the subject matter and a comprehensive ability to apply knowledge.
- B -- (85 - 92) - The work is of a superior nature and the required work is well done. The student meets the demands of the teacher and exerts a positive influence on the class.

Massac County High School

GRADING – cont.

- C -- (77 - 84) - The student completes the work in a satisfactory manner. The work is on time and is of average quality. The student is showing achievement.
- D -- (70 - 76) - The student is not doing all the work assigned, is dependent on others, is inconsistent, uncertain, and confused. Work is below normal but shows some evidence of growth.
- F -- (Below 69) - Unsatisfactory with little or no growth taking place. Student shows a lack of interest and attendance is often irregular.
- A. All grades will be determined by using the regular numerical value.
- B. The numerical values will be used for grade card purposes. Each teacher will determine the break where they will issue a plus or minus.
- C. Each teacher will turn in to the office the method they use to determine the 9 week grades, semester average, and how the average will be determined. This will be kept on file for explanation purposes when conferences occur.
- D. Each teacher will send home to parents how the grades are determined and what requirements are to successfully pass each subject. The method of sending home the explanation to parents will be determined by each teacher and will be done in the first two weeks of school. Each teacher will notify the office of the date/method, of how/when the explanation will be accomplished.
- E. The numerical values will be transposed to the appropriate alphabet grade.
- F. The point value of the alphabet grades will be retained without any changes.

A	93 - 100	4 points
B	85 - 92	3 points
C	77 - 84	2 points
D	70 - 76	1 point

Each 9 weeks grade will count 40% and the semester grade will count 20% of the semester grade.

Report cards will be distributed every nine weeks to notify parents of progress.

Students who drop a subject after the first three weeks of either semester shall automatically receive a failing grade for the semester. Credit will be given for each semester's work providing a passing grade is made.

Students who receive an Incomplete on their report cards will have 2 weeks into the next grading period to finish the work not completed. If after 2 weeks the missed work is not completed, the student will receive an F for that grading period. This applies to the end of the second semester also (i.e. 2 weeks after the last day of school). Extenuating circumstances will be considered on an individual basis by the administration.

LIBRARY

We are proud of our library at Massac County High School which houses over 15,500 books and 30 magazine titles. We can also borrow books and other materials through inter-library loan with Shawnee Library System. Audio-visual materials include DVD, VHS, and audio-tape titles as well as study prints, transparencies, and filmstrips. We also receive three daily and one weekly newspaper.

The library/media center has a computer lab of 30 student computers, one instructor computer, and a ceiling mounted multimedia projector. The computers are networked and Internet connected. Students, faculty, and staff are encouraged to make good use of the library and its resources. Teachers may schedule to bring in classes for research, reference work, book-selection, computer lab use, or other classroom work. A quiet atmosphere conducive to study and research will be maintained. The library/media specialist is available to assist those who need help.

If you choose to spend your time in the library/media center, we will try to make your stay pleasant and a place where you can get work completed. Policies and procedures that apply to all students are posted in the library/media center. Students violating these rules may lose the privilege of using the library/media center.

LOCKERS

Each student is assigned a locker for the storage of books and materials. Each student must supply their own lock. Students are not to share lockers.

The lockers are the property of Massac County High School and are provided for student convenience. The school can not assure that they are a safe place to leave valuables and the student should have no expectation of privacy. Periodically, the administration will exercise its right to search lockers.

A student's locker is the property of the school and must be used for the purpose intended: a storage area for books, school supplies, and outdoor garments. In addition to random searches, if school officials have a reasonable suspicion that the students have placed illegal or dangerous materials or substances in the locker, school officials may then search the locker, with or without the student's knowledge or consent.

END OF THE YEAR DISCIPLINE

Students who receive disciplinary action at the end of the year may have the action carried over the next school year. For seniors, their diploma will be held until they have fulfilled their obligation to the school.

CHEATING POLICY

Cheating is not allowed at Massac County High School. Students caught cheating will, at a minimum, receive a zero on that assignment or test. Depending on the severity of the act, additional disciplinary measures could result.

LOITERING ON SCHOOL GROUNDS AND IN BUILDING

Considering the large numbers of teenagers in Massac County High School, it is only natural that outsiders and some of our students would like to visit in the halls, lobby and on school grounds. To control this problem and provide safety for our students, no one is allowed on school grounds during school except to attend classes or for conferences with the staff. Parents and guardians are encouraged to visit Massac County High School during the school day. All visitors are to report to the Main Office immediately upon entering the school and/or grounds and are required by law to sign in as visitors.

Also the following rules must be strictly adhered to concerning students loitering in the building and on school grounds:

- a. If any athlete has practice at 5:00 p.m. he/she will not stay in the building from 2:57 p.m. to 5:00 p.m. He/she will leave the building and report at the appropriate time. This will also be in effect for any group/club/organization meeting.
- b. If a practice/meeting is going on students will not wait for rides until the practice/meetings have concluded. In other words, find another ride. You will not remain in the building.
- c. The bottom line is that any student who is supposed to be here at a designated time will be here at that time only and not be loitering around the building before or after the designated time span of the practice/meeting.

LOITERING ON SCHOOL GROUNDS AND IN BUILDING –cont.

- d. All students waiting on rides after school will remain in the main hall by the office. These students must be out of the building by 3:30 or wait outside for their rides. This in no way affects any coach/sponsor who has a student(s) doing what they are supposed to be doing at the appropriate time while being supervised.
- e. Kissing and other inappropriate affectionate behavior will stop immediately. Students brought to the office for an infraction will have to call their parents and explain their inappropriate behavior. After one call is made, students will be sent home for the violation.

MAKE-UP, HOMEWORK, TESTS, AND EXAMS

Any classroom work missed because of those reasons listed in Part B of the Absence From School Section is expected to be made up. Students are given one (1) day for each day of absence to complete the make-up work. Any homework or exams not made up will be recorded as an "F".

Example: A student who is absent on Monday, Tuesday, and Wednesday will have through the following Monday to complete all make-up work. If not completed within this time, it will be recorded as an "F".

Students who are absent/ill 3 or more days may request homework assignments from the Guidance Department. Students who are absent under 3 days should call their classmates for their assignments. This homework is expected to be completed by the time the student returns to school.

MEDICATION IN SCHOOL

As a general principle, medications are not to be given in school. Students are not allowed to have any drugs, prescription or non-prescription, in their possession on the school grounds except under special circumstances approved by the administration. This includes diet pills and steroids. However, if medication is necessary, a form needs to be filled out and given to the school nurse or office along with the medication. Students will not be reminded to take their medication except under special circumstances.

Asthma inhalers and epi-pens may be carried by the student for self-administration, or, it can be kept in a locked drawer in the main office. Prior to allowing a student to self-administer these medications, they must have a physician complete certain forms. Please see the administration for further information. If the high school student needs Tylenol, or Midol, the generic or brand name equivalent will be administered by designated school personnel at the school's discretion. If there is a specific medication concern the parent/guardian should talk with the school nurse.

Unless authorized by the administration, the possession of any drug, including items such as aspirin or Tylenol, will be subject to discipline for violating the Alcohol and Substance Abuse provisions.

EMERGENCY STATEMENT

In case of an emergency situation, every effort will be made to contact the parent/guardian of the child. However, if no one can be reached, then the administration and the school nurse will make a decision about whether an ambulance is needed. If no previous directions have been left by the parent/guardian, then the student will be taken by ambulance to Massac Memorial Hospital.

MESSAGES FOR STUDENTS

The school secretaries have duties that they are to carry out each day. Secretaries do not have time to deliver personal messages to students; therefore, the following will apply to parental requests to deliver a message to a student. 1) Only emergency messages will be taken. 2) These will be delivered to the students at the end of the next class period.

When a student is injured under this plan a claim form will be sent to the parent upon completion of an accident report (see accident section) by the school nurse. The parent is responsible for seeing that this claim is signed and reaches the doctor or hospital. This is a supplemental insurance and will not cover the entire amount of the bill in most instances. There are some exclusions when there will not be benefits paid. Check with the school nurse if you are in doubt.

TRAINING POLICY--cont.

- F. Transfer rules:
If a student transfers to a Unit 1 school after having been suspended from another school's athletic program for training violations, that student will not participate in this district's athletic program until his/her suspension would have been over at the other school. If the penalty for the violation is longer at the Unit 1 school than it would have been at the school where the offense occurred, the student will be suspended according to our guidelines.
- G. Weekly Eligibility:
Weekly eligibility will be enforced.
- H. Two Sport Participation:
Athletes may participate in two sports during the same season. Students must distinguish between their primary and secondary sport. When there is a conflict, the following guidelines will be used:
1. The primary sport's game takes precedence over everything.
 2. The primary sport's practices take precedence over the secondary sport's practices.
 3. The secondary sport games take precedence over the primary sport practices.
- ** If football is a secondary sport, the student must attend at least part of each day's practice, unless their is a game for the primary sport, because of IHSA rules on football practice time.
- I. Athletic Travel:
Student athletes must travel to athletic contests with the team and coaches. Any student athlete that chooses to ride home with his/her parents must provide the coach written consent. A student athlete may ride home with another student athlete's parents if approval is obtained from the Athletic Director prior to the event.

Our athletic committee of all head coaches, Assistant Principal , and Athletic Director will determine all cases of appeal. Mr. Hayes will sit in these meetings as an advisor. Student-athlete and parents will have 10 calendar days to appeal from the time the decision is handed down to the student-athlete.

HAZARDOUS EXPOSURE TO BLOOD BORN PATHOGENS (HEPATITIS B AND/OR HIV)

1. All open areas of skin (cuts, scrapes, etc.) must be covered by bandages before practice or competition.
2. Any injury which results in bleeding must be brought to the attention of a coach, so that the situation can be properly managed.
3. Athletes with blood on clothing must leave a practice or competition until the uniform or clothing has been replaced or properly disinfected.
4. Water bottles may not be shared among students and staff.
5. Person towels, rather than common team towels, are to be used.
6. Deposit all waste and soiled clothing in a closeable, leak-proof container marked "biohazard".

Internet and Electronic Mail User Agreement and Parent Permission Form

The Massac County Board of Education is pleased to offer students of Massac County High School access to the district computer network for electronic mail and the Internet. The network is provided for the students and teachers who agree to act in a considerate and responsible manner. Parent permission is required and access is a privilege-- not a right.

Individual users of the district computer networks are responsible for their behavior and communications over those networks. It is presumed that users will comply with district standards and will honor the agreements they have signed. Beyond the clarification of such standards, the district is not responsible for restricting, monitoring or controlling the communications of individuals using the network.

Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and insure that the users are using the system responsibly. Users should not expect that files stored on the district servers would always be private.

Within reason, freedom of speech and access to information will be honored. During school hours, teachers of younger students will guide them toward appropriate materials. Outside of school hours, families bear the same responsibility for such guidance as they exercise with information sources such as books, periodicals, television, telephones, movies, radio and other potentially offensive media.

Violations of this policy will result in loss of Internet access for the school year as well as other disciplinary or legal action.

As a parent or legal guardian of the student signing below, I grant permission for my son or daughter to access network computer services such as electronic mail and the Internet. I understand that some materials on the Internet may be objectionable, but I accept responsibility for guidance of Internet use - setting and conveying standards for my son or daughter to follow when selecting, sharing or exploring information and media.
